

Cerulean Template FAQs

1. What are Cerulean template features?

- Please check our [Template Info](#) page for all Cerulean features in one complete list.

2. I don't know how to start with Cerulean template. Is there any tutorial to get me started?

- Yes. Please check our Cerulean [Tutorials & Guides forum](#).

3. Is Cerulean compatible for Joomla 3.0?

- Yes, Cerulean is compatible with both Joomla 2.5 and Joomla 3.0.

4. Can I install RocketLauncher on existing Joomla! website?

- No. RocketLauncher will install both Joomla and the demo sample content and images, so you will need a fresh Joomla! installation.

5. I installed Cerulean RocketLauncher but the images are different with the demo site.

- As explained at Cerulean [Installation](#) page, to avoid image license copyright issue, all sample content images shown in our demo site will be replaced with blank versions in the RocketLauncher version.

7. Can I easily port Cerulean responsive layout to older templates?

- No. You will need advanced knowledge of template coding to accomplish it and this is beyond of our support scope.

8. I like some styles and features of Cerulean template. Can I copy and use it to another template?

- Basically No. You would need advance knowledge of html & css to accomplish this. The features from one template can't be easily "copied" to another template. We considered this as customization work and it's beyond of our support scope. If you need some (paid) assistance with customization work, you might want to check [The MarketPlace Forum](#).

9. I love Cerulean so much. What should I do?

- Thanks for your love and don't forget to say thanks to the team for their hard work [here](#) as well. I am sure, your thanks quote will put a smile on their face.
